## BLOCK SIZE

Finished Size: 1" x 9", 1.5" x 9" & 2" x 9"

## THANK YOU!

The best part about writing patterns is seeing you put your creative spin on the design. So, I'd love to see what you make! When you share on social media, tag your creations with #booktrackerquilt. Thank you!

I'd love to get to know you a little better too, so feel free to follow me on Instagram & Bluesky @snugglepuzzle. I love meeting new friends over there, and following along to see what else you're making on your crafty socials!

## MATERIALS

Typically my patterns include a fabric requirement section, but for this pattern it's a little too personal to be prescriptive about fabrics. You can choose how many different genres to track and how detailed you want to be with your rating system etc. etc.

## SEWING SUGGESTIONS

The sky's the limit for how you chose to use the book tracker pattern, but this is the general scheme I had in mind when I designed the blocks.

Book thickness (1'', 1.5'' & 2'') corresponds to the length of the book.

Primary color corresponds to the book genre.

Secondary color corresponds to the rating.
